

What do they
THINK AND FEEL?

what really counts
major preoccupations
worries & aspirations

Where i can
upload
images?

Is this gives
us accurate
prediction

How is this
prediction is
done?

Is this the
best way?

The field
with
different
crops

What do they
SEE?

Some crops
affectd with
different
diseases

Predict the
affected
disease and
recommends
fertilizer

What do they
SAY AND DO?

Expecting
more
information
about
Disease

Using
fertilizers
without
knowing the
exact disease

Is this User
Friendly?

Ivesting
more in
fertilizers

Is Fertilizer is
recommended
accordingly?

What do they
HEAR?

Shall we know
the level of
fertilizer
recommended?

Fertilizer level
is
recommended
as per the use

PAIN

Loss of
money,
fertilizers
and
crops...

GAIN

Reduces
loss of crops...
use of
correct
Fertilizers...
